T. S. SHERMAN, Signal Service.

Poll taxes have been collected by the city to the amount of $2040.

Miss Nellie Gerrans left for Eaton's Ranch on Thursday evening, where she will spend the winter.

The young people's sociable at the Presbyterian church last night was well attended and a good time was the result of all.

The funeral of the young son of Rev and Mrs A. C. Peck occurred from the Methodist parsonage at half past two yesterday afternoon.

Mr Fred Sherwin of Louisville arrived in the city yesterday for a short visit. He goes to his ... way east where he will attend school in Michigan this year.

The Democratic Executive Committee has appointed an invitation to address the democratic voters of this city on next Saturday evening, on the tariff.

Mr H. H. Dalton of Manitou was shaking hands with some of his future constituents in this city yesterday and was enjoying the game at the Athletic grounds.

Mr. Mc... will this week display some of the handsome imported suits, which she displayed at the opening the first of the week, very cheap, in this morning's GAZETTE.

Ryan's Bros circus will give a children's matinee this afternoon when the price of admission will be 10 cents for all school children, and each will receive a present.

In the first hour of the sale of tickets for the minstrel performance on Tuesday night, which took place at the Midland ticket office yesterday morning, the sales amounted to $50.

The Knights of Pythias who accompanied General Carnahan to the summit of Pike's Peak yesterday reported a fine time. The weather was delightful and all enjoyed it.

The Christian church has been re seated throughout with elegant new pews from the Cincinnati Church Furnishing company. This is the work of the "Young Laymen's Society."

The college library will be open here after ... 1 ... in the evening every Tuesday, and from 2 to 4 o'clock in the afternoon of Thursdays. The public is cordially invited to make use of the library.

The pastor, Rev Richard Montague, will preach on Sunday at the First Baptist church. Morning subject: "Egypt the" Evening subject: "Outsiders." W... evening conference meeting at 7:30 o'clock.

Rail laying on the Rock Island road reached Calhan station, about forty four miles east of this city, last night. Rails are being laid at the rate of two miles a day, and it is thought will reach this city by the twelfth of October.

The Yuma base ball club will play a return game with the Colorado Springs Grays on Monday afternoon. Bates of Denver will be in the box for the Grays and Cheney will pitch for the Yumas. These pitchers will make a very close game and there will be a premium on runs in this game.

The sale of seats for the minstrel performance to be given in the opera house next Tuesday evening began at the Midland ticket office yesterday morning and judging from the ... the boys will be greeted by a large audience. The ... entertainment will be given to the Bijou Sanitarium fund.

The base ball excursion to Denver tomorrow will probably be one of the largest excursions ever run out of Colorado Springs. A special train will leave the union depot at 10 o'clock and return from Denver at 9:15. The Santa Fe road will place one of their finest trains at the disposal of the excursionists and will make a quick run to Denver. The Firemen's band will accompany the party.

No insurance adjustments have been made on the property injured in the fire of Thursday night, nor has any clue as to its origin been discovered. It seems the fire boys and others who were working at the fire had a rather narrow escape from injury and probable death as there was eighty gallons of coal oil in the rear of Spatz's grocery and the fire burned within a few inches of it. Had the blaze caught it and caused an explosion the probable loss to life and property is horrible to contemplate.

This afternoon the shooting stick will cross bats with the soldering iron, when the GAZETTE boys will play base ball with the plumbers of the city. Both clubs have "an eye on their eye" and as they have a ... among them will go in to win. The GAZETTE boys will be uniform and if they fail to play as well they will at least try to look nicer than the plumbers. The game will occur at the ... grounds and will be called at 2:30 o'clock promptly. No admittance will be charged at the entrance but a slight charge will be made for those who take seats in the grand stand. Considerable interest has developed in the game and a good crowd will probably be in attendance. The positions of the players will be as follows:

Plumbers		Gazette
McLaughlin	pitcher	Jones
Weber	catcher	Wilson
Sherwood	1st base	Bright
Wm Cline	2nd base	Ford
Cal Cline	3rd base	Hamilton
Kane	short field	Briggs
Richmond	left field	Mears
Gibbs	centre field	Sutherland
Hayes	right field	Mackey

The meeting of the board of trade last night was not very largely attended but there was the greatest interest manifested by those present. President Finch presided and in the absence of Mr McCreery appointed Mr L. H. Gowdy secretary. Mr J. S. Hayes introduced the subject of a reception to be tendered the officers of the Rock Island road and other officials of that system on the completion of the road to this city next month. Mr Hayes thought a banquet would be the most fitting and dignified manner of greeting the officers, and made a motion that a committee of seven, of which the president should be chairman be appointed to discuss the matter and have full power to act. The motion prevailed. Mr Gowdy introduced the subject of county fair and spoke at some length of the advantages of such an enterprise. The members seemed to agree that it was too late for this year, but a committee of Messrs Hayes then ... were instructed to report a resolution of thanks ... and the manner of calling a meeting of the president were chairmen of the county fair committees for ... and report upon this year inaugurate a day to be known as "Farmers' Day" when the best products of this county ... shall be brought to the city for exhibition. The pluplers were not working by the hour yesterday

The Hon R. Q. Mills in his great speech at Richmond, Indiana, on Thursday evening spoke of the "unsurrendered battalions of democracy of the old Hoosier state." He must have referred to the democrats who were not in the confederate army

One of the most brazen things we have yet seen is the claim of the News to be the champion of the state treasury reform. To the Leadville Herald Democrat belongs the credit more than to any other paper. The republican party took the initiative on reform on account and the democratic convention followed. Now the democratic party and its organ try to steal the credit from [illegible] of Judge Thurman's claim that the democratic party was the anti slavery party

We have two or three times called attention to "Sports Afield," a weekly journal edited by Mr Claude King. This publication is full of interesting reading [illegible] and trap shooting, cycling, base ball and kindred sports. There is a splendid field for such a paper in this state, because there are such ample opportunities for all these sports and so many interested in them. We trust all who would be interested in such a publication will subscribe to this paper. It deserves a good support.

Some of our exchanges seem to forget that the present campaign is to elect a republican state ticket and a republican legislature. It is premature to discuss the question of who should be the next senator after the legislature nominations are made. If local support of the Legislative ticket is pledged then no person on the ticket should be weakened by attack on the senatorial candidate if such person is supposed to support. If however it is safe to discuss at this time the senatorial choice of candidates for the U. S. senate, there is no consistent to assert that a certain senatorial candidate is [illegible] and ask its readers to support a legislative ticket [illegible]

We are glad to hear that nearly all the seats for the Moody & Sankey meetings [illegible]

Many of the entertainments that are given here we cannot recommend to the pleasure loving public and do not care to reprint what others say of them. But we can and do recommend the entertainment for Thursday evening. Many of the specialties will be rendered by the best musical talent [illegible] Hungerford will be present and many new songs will be on the programme. It will be the most interesting evening of our local organization [illegible]

Gen Gen L. O. Wolford in his very eloquent speech at the ratification meeting at Denver on Friday evening gave many good reasons why the state should have the most hearty and unqualified support of every republican. Among other points, he urged Mr. Cooper was [illegible] in sympathy with all the sacred inter-

ests of the people, its mineral, its farms and its manufactures. That is an important question not only in connection with legislation which may come before him for approval, but in suggesting new legislation. The governor of the state is a [illegible] city and has [illegible] of the various kinds of business [illegible] for successful [illegible] of the state [illegible] upon [illegible] and [illegible] to prepare [illegible] for [illegible] of the people.
